Informal Parents' Evenings

A series of Informal Parents' Evenings will be taking place next week **for parents/guardians only**.

These are an invaluable opportunity for you to:

- hear about the whole school priorities and the curriculum for the year group from the Headteacher, Mrs Sarah Lansley
- meet the Head of Year and the pastoral team
- meet members of the Senior Leadership Team
- find out details, including a presentation, on Show My Homework.

The evening will start with a short presentation and there will then be the opportunity to meet staff informally with refreshments being served by the Cavendish School Association (CSA).

Please confirm your attendance by email to e.torris@cavendish.herts.sch.uk.

Physicists of the Year 2014/15

Congratulations to Rebecca Stone and Luke Stallard on being recognised by The Ogden Trust as Physicists of the Year 2014/15, after they were nominated by their science teachers for their interest in the subject and their excellent work at school.

Rebecca and Luke received their award, including a £25 book token, at a prestigious event in July at the University of Hertfordshire.

The awards were presented by Professor James Hough from the University's School of Physics, Astronomy & Mathematics and Centre for Astrophysics Research.

The event included an inspiring talk about the future of physics and a chance to meet with senior staff in the university department.

SCHOOL UNIFORM / PE KIT

Could you please make sure that all uniform and PE kit are named in permanent marker pen or name tags. It is much easier to get the kit back to its rightful owner.

Thank you.
