

The Cavendish School

February 2017

A Message from The Cavendish School Governing Body

Dear Parents, Carers and Students,

Appointment of an Executive Headteacher

On behalf of the Governors of The Cavendish School I thought that it was important to write to you and communicate an important decision made in conjunction with the Hertfordshire Local Authority. We have agreed to appoint an Executive Headteacher to lead the school and, as a result, Mr Gary Lewis will take this role with effect from tomorrow, Wednesday 8th February.

This decision has been taken to enhance and support the existing senior leadership team and to ensure the best possible leadership is in place to support the school going forward. As a governing body, we strongly believe that this is in the best interest of the school.

Mr Lewis will be sending out regular communication to you over the coming weeks and we would like to take this opportunity to welcome him to The Cavendish School.

Yours sincerely

Carole Connelly
Chair of Governors and on behalf of The Cavendish School Governing Body.
