

5th January 2017

The Cavendish School

Dear Parent/Carer

POST 16 INFORMATION EVENING - 6.30pm Thursday 12th January 2017 – School Hall

Your son/daughter will be considering what they would like to do after completing their GCSEs. Following our emails on the 3rd of November and the 18th of December about the above evening, we would now ask you to confirm your place at this very popular and important event, if you have not already done so.

The evening is not just for students who wish to continue to study at The Cavendish School. We have also arranged for other organisations to be available so that alternative pathways can be explored. Representatives from Connexions can offer advice on apprenticeships and college courses, and Tottenham Hotspur Football Club will talk about the ‘Football Academy’ they are offering through the Cavendish School next year.

The Cavendish School is in partnership with other local schools and we will be offering an integrated timetable which allows students to choose the subjects they would like to study, without the constraints of limited options from just one institution. Through the partnership, all students should be able to access the right courses for them.

On arrival, please collect your son/daughter’s personalised folder. During the evening we aim to give you the most up-to-date information and an insight into the course contents for Post 16 study, to inform you in order that you and your son/daughter will make the right decision for the future.

I look forward to meeting you on the 12th of January.

Please confirm your attendance by emailing j.leonard@cavendish.herts.sch.uk or return the reply slip below.

Yours sincerely

D Fisher – Director of Post 16
