

17th January 2017

Dear Parents, Guardians, Students,

As a school we are able to purchase revision guides at good rates and we are currently able to offer you the opportunity to help your son/daughter start preparing for their GCSE French or German exams. This will also be of great use in the preparation of Controlled Assessments.

For the price of £8 you will receive the CGP GCSE French/German AQA Complete Revision and Practice Book with audio CD, plus the Digital Vocabulary Tester and matching Vocabulary Book.

This is an exceptional offer to schools at this point in time and therefore I would ask that you return the attached slip with remittance to the Finance Office by Monday 23rd January.

Please label the envelope with child's name, form and language required.

Yours
