

The Cavendish School

16th January 2017

Dear Parent/Guardian

REVISED DATE – POST 16 INFORMATION EVENING Thursday 26th January 2017

Please accept my apologies for the postponement of the above evening due to the poor weather conditions on 12th January 2017. This was not an easy decision to make as many external guests had been organised to speak and attend the evening. The decision was made for the safety of both staff, students and visitors, due to the wintry weather making the site extremely dangerous.

We have now been able to reschedule this event for **Thursday 26th January**. It will take the same format as the original evening and all the guest speakers are able to attend. This evening will ensure your son/daughter is fully prepared for the next steps after year 11.

The timings for the evening are as follows;

- 6.00 pm - Main School Hall (collect personalised student pack)
- 6.30 pm - Talk in Main Hall
- 7.00 pm - Individual Subject Talks

A copy of the original letter inviting you to attend on the 12th of January is attached for your information.

I look forward to meeting you on the 26th of January.

Yours sincerely

D Fisher
