

The Cavendish School

April 2017

Dear Parents

It is with great pleasure that I am writing to you as the new Director of 6th Form here at The Cavendish School. All of the young people that attend our 6th Form are entering a crucial stage of the year with the examination period approaching quickly.

Recently I announced to the students in assembly that I have been provided with a fantastic opportunity to lead key stage 5 and am very much looking forward to working closely with all of those involved. My main priorities over the next few weeks are to

1. Ensure that high quality teaching and learning is provided daily to our students.
2. To support students in preparing for the summer examinations.
3. To continue the fantastic work that takes place in our 6th form by providing our young people with so many opportunities both in and outside of the classroom.

Although I have been a member of staff at the school for a number of years I have been so pleased with the warm and open welcome the students have given me over the last couple of weeks and am very much looking forward to the next few weeks and months.

Message from Mr Lewis – Executive Headteacher

I am delighted that Mr Woodard has agreed to take over the leadership of what is undoubtedly one of the strongest areas of our school. During the past weeks I have spoken to many of our Sixth Form students and have been very impressed with their maturity, positive approach and clear determination to provide obvious leadership to other students in the school. I wish all of our students much success in the forthcoming public examinations.

Kind regards

Mr Richard Woodard
Director of Sixth Form

Mr Gary Lewis
Executive Headteacher
