

The Cavendish School

30th June 2017

Dear Parent/Guardian

All year 12 students have taken part in the Sixth Form Employability Programme this week (details attached). It has been an intense, but fun few days with lots of information about apprenticeships, applying to university and also applying for a job. The feedback we have received from students has been resoundingly positive and it's clear that they have found the experience very worthwhile. Similarly, the organisations that participated were extremely complimentary about our students and found them to be committed and focused.

On the 7th of July students will have the chance to put all the knowledge that they have gained, into practice on Interview Day. We have a selection of local and national employers coming into the Sixth Form to conduct mock professional interviews. Students will receive constructive feedback on all aspects of their application and interview. This experience will be of immense value to students as they prepare for their working life. For this reason, we expect all Year 12 students to attend the event and be dressed appropriately for a formal interview.

I'm sure that you will agree that this is an excellent opportunity for students to not only show case themselves in the most positive way, but also the Sixth Form and our School as a whole. Your support in the matter is greatly appreciated.

Yours sincerely
The Sixth Form Team
