The web address for AQA past papers

The highlighted sections are the topics that you need to study.

AQA allows you to access their website and download past papers and mark schemes.

The Modules you need to look at for

Additional are

Units 1 Physics, Chemistry and Biology.
Units 2 Physics, Chemistry and Biology.

Triple and CAF are

Units 1 Physics, Chemistry and Biology
Units 2 Physics, Chemistry and Biology
Units 3 Physics, Chemistry and Biology

Unit 4 is Controlled Assessment

These are the module numbers that you need to study for each GCSE qualifications we offer in Year 11. If you do not know which route you are following ask one of your science teachers.

The image shows a screenshot of a website interface. On the left, a navigation menu for 'June 2015' is displayed with a purple header and an 'Expand all +' button. The menu items are: 'Controlled assessment', 'Exam feedback', 'Unit 01', 'Unit 05', and 'Unit 06', each with a blue right-pointing arrow. An arrow points from a text box below to the 'Unit 01' arrow. On the right, a detailed view for 'Unit 01' is shown, featuring a dropdown arrow and a small image of students. It lists 'Question papers' and 'Mark schemes' for various subjects and levels, each with a document icon and file size. An arrow points from a text box below to the 'Unit 01' dropdown arrow. At the bottom right, there is a small image of a person in a lab coat.
